

# 2020 Junior Golf

Columbus Country Club is proud to offer a true Junior Golf Membership, available to juniors under the age of 23.

Spreading out over nearly 7,000 yards, the historic Par 72 Championship Course at Columbus Country Club has seen some of the game's greatest players grace its fairways. Host to the 1964 PGA Championship, won by Bobby Nichols in thrilling fashion over two of golf's icons, Jack Nicklaus and Arnold Palmer, the Donald Ross design has been drawing rave reviews since its inception. In 1965, central Ohio's only private Par-3 course was built, adding a new dimension to the club's golf offering. A wonderful addition to the landscape, the nine-hole Family Par-3 course provides an outlet for junior players just learning the game, as well as an opportunity for those more accomplished golfers to shave some strokes by polishing their short games.

Members at Columbus Country Club are also afforded the opportunity to practice on some of Ohio's best facilities that feature two large grass hitting areas with five bent-grass target greens and a wide elevated chipping green with deep sand bunkers.

We have spent the past few seasons bringing our course back to the design that Donald Ross envisioned. It's a stunning landscape that you won't find anywhere else in Columbus!

## Club Privileges

Junior Golf Members may play unlimited rounds of golf. All rounds on the Championship course and time on the practice tee must be within the below time restrictions unless otherwise approved by the Golf Professional staff.

The Family Par-3 course may be played at any times. Please call the Pro shop at 614-861-1332 to arrange all tee times and check course availability.
